OUR TOWN'S VERY SPECIAL YEAR  
WARRANTS A VERY SPECIAL

## Dedication

### Elizabeth "Betsy" Steen

*Great things happen when people set their minds to it. Dreams come true. Ideas become results. Strangers become friends and allies. Making a difference becomes a way of life.*

~ Author Unknown

Many great things have happened in our community because Betsy Steen set her mind to it. A friend and ally to all, she has left an admirable and indelible print on Bowdoinham through her initiatives, involvement and commitment in so many capacities. Here are some examples.

#### LIBRARY & PLANT SALE

Betsy is one of the Annual Plant Sale's founders, and has remained closely involved with the sale since its inception in 1973. Her botanical knowledge, creativity, and dedication has made it one of the best fundraising plant sales in the State of Maine, and the longest-running event of its kind. On any given day in April and May, Betsy and countless other volunteers can be seen digging plants from the holding beds in her front yard on the Bay Road in preparation of the sale. She has also served as Library Treasurer for over twenty-five years.

#### HISTORICAL SOCIETY

Thanks to Betsy, the Historical Society's collection and archives are being organized, cataloged, and digitally recorded. The

Jellerson School is has gone from ramshackle to restored. And, an annual fundraising yard sale at the Meeting House was established, as well as an "Antiques Street Show" appraisal day at the Town Hall.

#### 250<sup>th</sup> COMMITTEE

Betsy is involved with the planning of just about every event for our 250<sup>th</sup>, including the commemorative book, and "The Quilt." Betsy asked several volunteers to quilt a square reflecting moments in Bowdoinham's history, and then devised a plan to raise funds so that it would remain in our town vs. auctioning it off and having it lost forever.

#### PROFESSIONAL CONTRIBUTIONS

Betsy was an English teacher for over ten years at Mt. Ararat Middle School, and then ran the computer lab at Bowdoin Central School for almost as long.

We are deeply grateful to Betsy for choosing to make a difference, and for making our lives so much richer and fuller. It is with heartfelt appreciation that the 2011-2012 Annual Report is dedicated to Betsy Steen.

*Kathy Gallant, on behalf of the Bowdoinham Select Board*

## Select Board Report

**Brian Hobart, Chair**

**H**appy 250<sup>th</sup> Bowdoinham!!! I consider it a great honor to be a member of Bowdoinham's Select Board during this historic year and important milestone. Over the past year, this community has come together with a show of cooperation and purpose unlike anything I have seen in my lifetime here. The number of people that have stepped up to the plate, got involved, and volunteered their time to make Bowdoinham a better place is truly a testament to who we are.

This year, for the first time in Bowdoinham's history, we have a five member Select Board. Many people had their doubts as to the effectiveness and efficiency of the board with two extra members. I am happy to report that it is working well, very well in fact, and now a broader spectrum of citizens are represented on board decisions. A five member board requires more citizens to fill the positions, and often when I have encouraged people to run for a position, I have been told that they were not qualified. This is nonsense because the only qualifications for an effective board member are common sense, connection to the community, and a desire to look out for your neighbors. A board member doesn't have to be genius in finance since we have a dynamite finance committee and an office staff that can hold their own against any finance department in the state. A board member doesn't have to be an expert in municipal administration since we have a highly qualified and experienced Town Manager to provide the information the Board needs to make informed, legal, and fair decisions. So what are you waiting for? The next position is open in November 2012.

Over the past year, many things have changed in Bowdoinham including many new faces on the Town

staff. The Select Board made an all out effort to hire the most qualified and experienced person available to fill the Town Manager's position. We had great success when Bill Post accepted the position and he has brought Bowdoinham into the twenty-first century in terms of doing business as it should be done. Since Bill moved his stuff into the manager's desk he has hired some top notch people to fill positions in the Town Office and Public Works Department. Bowdoinham's services and administration are now among the best.

Federal, state, and local budgets have for the most part been in crisis mode for some time now. Bowdoinham's biggest expense is education over which we have little control, still, financially we are in good shape with a stable tax rate and fund balance approaching a record one million dollars. Timing is everything. Bowdoinham's timing for spending and saving has been very good. The Select Board, and especially the Chair, has a huge responsibility to the citizens to do the Town's business in an ethical, legal, efficient, and economical manner that shows fairness to all citizens while still getting the job done. Finding the balance can really be tricky sometimes. We have a lot going for us with a highly competent town staff and an army of volunteers ready to pitch in do what needs to be done. To all these people I say thank you for your hard work and dedication which makes Bowdoinham a great place to hang your hat.

Brian Hobart  
Chair

## **Town Manager's Report**

**William Post, Town Manager**

---

To the Select Board and Citizens of Bowdoinham:

### **Introduction**

In July, I will be marking my first year with the Town of Bowdoinham. I thank the Select Board members, volunteers, Town employees and all the citizens I have had a chance to meet for your support through my first year. I look forward to many more as I serve the Town.

It certainly has been a busy year for your town employees and officials and I am proud to say that we are moving forward with many projects that will make Bowdoinham a better place to live, work and play. While some of the projects are clearly obvious with construction ongoing, others are less obvious as they revolve around planning for our future. I realize that sometimes planning seems to take forever, but it is vitally important that we plan for our future in order to ensure that we are working on projects that you, the citizens, support and want for your town. Part of the planning process involves gathering information from residents, so when we ask for your comments and opinions, whether it is through a survey, or through meetings, please take the time to help us. It is greatly appreciated.

There are many projects that are finished or moving ahead, as described throughout this Town Report. These include the Sidewalk Project, road construction projects, Comprehensive Plan Update, Recycling Barn Project, Public Works Garage Project, the Skate Park Project and the 250<sup>th</sup> Anniversary Celebration.

### **Annual Town Meeting**

The 2012 Annual Town Meeting will take place on Wednesday, June 13, 2012 at 7:00 p.m. at the Town Hall.

### **Budget Process**

The spending levels outlined in the proposed budget attempt to provide the programs and services that the residents of Bowdoinham have experienced over the past several years. It is our goal to provide the citizens of this community with the best level of service possible within the financial resources available. The budget development process begins with the receipt of budget requests from Department Heads, followed by the Town Manager's review. The budget is then submitted to the Finance Advisory Committee, Select Board and then submitted to the voters at the annual town meeting for final adoption.

### **Budget Highlights**

The FY13 municipal budget as proposed is significantly the same as the current year (fiscal year 2012) with the exception of the new debt service that was approved by the Town at last year's annual town meeting. The proposed expenditures for the municipal budget are 6.59% more than FY12, or \$92,263. The Debt Service budget accounts for \$82,840 of the overall increase. Non-property tax revenues are expected to remain stable, increasing by \$8,600 or 1.24%.

### **Wages & Benefits**

This budget provides a cost of living adjustment (COLA) for employees at 2%, a contracted salary increase for the Town Manager and a salary adjustment for the Planning and Development Director that is funded through the TIF portion of the budget. Health insurance costs have increased by \$49.62 per month for each eligible employee.

## **Town Manager's Report**

**William Post, Town Manager**

---

### **Undesignated Fund Balance**

The Undesignated Fund Balance as of June 30, 2011 was \$993,221. The Town's practice has been to fund the Contingency account from undesignated fund balance. The Finance Advisory Committee and Select Board have recommended utilizing \$100,000 of Undesignated Fund Balance to reduce the tax rate. As this is more than the proposed increase for the municipal budget, the amount to be raised from property taxes for the municipal budget will decrease for FY13.

### **School Assessment & County Tax**

The school assessment is proposed to increase by \$104,038, or 4.5%. This estimate was provided by the MSAD #75 Business Manager on April 13, 2012 and is the final number that will be presented for a district vote. The County tax was originally expected to increase significantly, but after final review, is only proposed to increase by \$3,774.

### **Tax Rate**

The Town has been diligent over the last four years in keeping the tax rate the same, with the last increase in 2009. However, with increases in costs that are out of control of the Town, the tax rate is proposed to increase from \$14.80 to \$15.10. For a property valued at \$100,000, this is an increase of \$30.00 for the year. Considering the new debt service for the Town and the proposed increase in the MSAD 75 budget, this is a slight increase and considerably lower than I originally anticipated.

### **Public Works Garage & Recycling Barn**

At the informational meeting held on March 29<sup>th</sup> concerning the options for the Public Works Garage and Recycling Barn, those present (approximately 90 residents) directed the Task Force to find a new location for the Public Works Garage (either on the town-owned land where it currently is located or on other land to be purchased) and to gather more information on keeping the Recycling Barn as the location for the Recycling Center. The two options supported at the meeting for the Recycling Barn included determining the funding needed for repairs to the Barn and an estimated purchase price. Included in the proposed Solid Waste and Recycling budget is \$6,000 for the replacement or repair of the fire alarm system, fire doors and exit signs. Further information will be presented to the Town once it is gathered. The proposed budget assumes the status quo for the Public Works Garage as we continue to review our options for constructing a new facility.

If you have any questions, or ideas that you would like to discuss, please feel free to contact me at the Town Office or by email at [wpost@bowdoinham.com](mailto:wpost@bowdoinham.com). In closing, I would like to thank the dedication of all the municipal employees who work very hard to satisfy your need for municipal services. I would also like to thank the Select Board and the various other volunteer boards and committees for your unselfish dedication to make your community a better place to live, work and play.

Respectfully submitted,

*William S. Post*

William S. Post  
Town Manager

## **Finance Advisory Committee Report**

**Dan Billings, Chair**

It is the role of the Finance Advisory Committee to assist the Select Board and the Town Manager with the Town's financial decisions, including development of the municipal budget. The Committee remains very active in carrying out that role.

This year, the Finance Advisory Committee has good news and bad news to report. The good news is that the Town's finances are healthy and stable. The bad news is that, due to factors beyond our control, a tax increase is necessary this year.

Recent years have been challenging ones financially for our state and nation. Many Maine municipalities have been forced to make major cuts in services while raising taxes and putting off needed capital investments.

Bowdoinham has avoided this fate due to careful planning and prudent financial decisions in recent years. We have maintained a level tax rate for four consecutive years and made major investments in equipment and infrastructure. This happened because we learned from mistakes made in the early part of the last decade which pushed the Town to the brink of financial calamity.

One key measure of a town's financial health is the level of its fund balance – which is a combination of a town's annual surpluses and deficits. The fund balance is effectively the Town's savings account, which can be used for emergencies, capital expenses, working capital, or to stabilize the tax rate. Though there are several rules of thumb used to determine an appropriate level of a town's fund balance, for Bowdoinham the fund balance should be at least \$600,000. However, on June 30, 2002, the Town's fund balance fell to a dangerously low level of only \$44,571. Through better budgeting and careful management of the Town's finances over the last nine years, Bowdoinham's fund balance has been rebuilt and totaled \$993,221 at the end of the last fiscal year on June 30, 2011. This is a major accomplishment for Bowdoinham and gives us critical fiscal flexibility which is needed this year.

The budget detailed elsewhere in this report is again a conservative one. Though the bottom line is an increase in the municipal budget of approximately six and half percent, nearly ninety percent of that increase is due to increased debt service due to bonding approved last year

for a fire truck, a public works plow truck, and road improvements. This increase was expected and planned for and is not the reason for the projected tax increase. Bowdoinham last increased taxes in 2008 when the mill rate increased 2% from \$14.50 to \$14.80. We maintained that rate for four fiscal years, during a time when other revenues were flat and there was very little increase in the Town's property value due to little new construction. Unfortunately, this year, the tax rate will increase by 2% to \$15.10. The reason for the tax increase is increased assessments from SAD 75 and Sagadahoc County.

Though we have faced increased assessments from both in recent years without an increase in the mill rate that is not possible this year. The combined increase in the two assessments is \$107,812. If this total increase was passed along entirely to the taxpayers that would cause a tax increase of 3.5%. Fortunately, the Town's financial health allows use of a small portion of the Town's fund balance to keep the tax increase to a more manageable 2%. If not for the substantial assessment increase from SAD 75, Bowdoinham would be able to maintain a flat mill rate for the fifth straight year.

Though the Committee is unhappy to recommend a budget that will result in a tax increase, we believe that the budget that was prepared by the Town Manager is a reasonable one that meets the Town's needs in a conservative and financially responsible manner. The proposed municipal budget would need to be cut by \$90,000 to maintain a level tax rate this year. This can't be done without a significant reduction in the level of services that have come to be expected by the people of Bowdoinham. The Committee did not anticipate that this was the direction the Town wanted to take, but that decision will ultimately be made at Town Meeting.

## Town Clerk Report

Pam Ross, Clerk

### MARRIAGE LICENSES

#### OBTAINING YOUR MARRIAGE LICENSE

Once the intentions have been filed and the bride and groom have signed the marriage license, the marriage license may be issued to the bride and groom. The license must be used within 90 days from the date the intentions were filed. The cost of obtaining a marriage license is \$30.

#### HOW TO FILE INTENTIONS:

The first step in filing a marriage license is to have the marriage intentions recorded in writing. Both parties must sign the intentions, stating they are free to marry. You must be 18 years of age to marry without parental consent. If you have been married before and are divorced or widowed, a certified copy of documentation showing how the last marriage ended is required. You only need to file in the town that you live. If you live in separate towns, you only need to file one copy.

#### COPIES

Copies of your marriage certificate is only available from the municipal clerk(s) who issued your license. However, copies may also be obtained from the Office of Vital Records.

A \$10.00 fee does apply for a certified copy.

## **Bowdoinham Energy Committee**

**Margaret Patterson, Chair**

### **Town Office Energy Improvements:**

In May and June of 2011, the Bowdoinham Energy Committee saw the completion of energy improvements to the Town Office using funds from two energy grants totaling \$46,225. The project included insulating the building's attic and exterior walls. To protect the integrity of the insulation and to address the moisture in the back of the building, the foundation walls were excavated, insulated and air sealed and a drainage system was installed to draw water away from the building. Although not directly part of this project, the handicap ramp was rebuilt once the energy work was completed.

### **Future Energy Projects:**

In the process of applying for funding, the committee looked at cost savings for potential energy upgrades to the Town Office and to the Fire Station and made recommendations for future projects once additional funding is available.

Respectfully submitted,

Margaret Patterson

## Recreation Department Report

Brooke Cox, Director

### July 2011-June 2012 Programs:

**Summer:** Bowdoinham hosted several all-star baseball & softball practices for various teams. These teams had some Bowdoinham players that entered in tournaments throughout the State and Region. The Snack Shack cooked several meals feeding many hungry kids and adults. Meet and Greet for incoming kindergarteners met through the month of July. We hired Vermont Tennis to give our tennis court a much needed face lift: fixed the cracks, repaint the playing surface, and reset and replace the net.

**Spring:** Bowdoinham participates in the Ararat Cal Ripken Baseball League and the Ararat Babe Ruth Softball league. T-ball will begin after returning from April vacation. The Snack Shack will open its doors to satisfy the hungry players and fans at the recreation fields in early May.

**Year Round Activities:** Village Seniors meet for lunch every month on the 4<sup>th</sup> Thursday, 13 families took advantage of our “free” pass for The Children’s Museum of Portland, *to be signed out at the Town Office.*

**Fall:** Kickball was offered for 2<sup>nd</sup> – 5<sup>th</sup> graders for the first time and was a big hit. Family Swim started up again at Bowdoin College and ran through the beginning of December.

**Winter:** Bowdoinham participates in the Ararat Youth Basketball League for grades 3<sup>rd</sup> through 6<sup>th</sup>; in addition to hosting games in Bowdoinham, teams played games in Harpswell, Bowdoin, Topsham, and Richmond. The skiers and boarders in the Lost Valley Ski & Board Program began heading to the mountain in January. Basketball for Kindergarten, 1<sup>st</sup> Grade, and 2<sup>nd</sup> Grade started the end of February and continues through the month of March. Family Swim at Bowdoin College started up again in January for the Winter/Spring session. We hosted a Nordic skiing clinic in early February with great success. 18 sets of cross-country ski equipment have been loaned out for the winter. Adult Basketball began in late February and will continue through mid April.

Please visit the Recreation page of the Town’s website [www.bowdoinham.com/recreation](http://www.bowdoinham.com/recreation).

If you have any questions please call or email Brooke (666-3504 or [bcox@bowdoinham.com](mailto:bcox@bowdoinham.com)).

## **MSAD 75 School Board Report**

### **Rebekah Stimpson**

Our new Superintendent, Brad Smith has hit the ground prepared and focused and the MSAD 75 is lucky to have such a dedicated Superintendent. We also have a new interim Assistant Superintendent, Elaine Dow and two new principals, Bill Zima at Mt Ararat Middle School and Kerry Bailey at the Harpswell Community School. The closing of the West Harpswell School, while very emotional, was the right thing to do and the transition has been a success. We will continue to monitor the progress and look forward to the great work to continue in the newly blended community.

The State is looking at charter schools and customized learning environments and we will continue to watch to see how this translates to funding and curriculum. We do not want to make any decisions until the State decides the direction they are heading. We are taking this year to help new administrators get their feet under them and we are looking at policies and evaluation systems to assure we are meeting state guidelines and the needs of our district. The question of weighted grades has once again been brought up, so the policy committee has started to look into the pros and cons. This is a huge undertaking and the committee's goal is to hear from all stakeholders before a recommendation is brought before the board.

When the state came out with the new Priority List for Major Capital Improvement, we were encouraged that Mt Ararat HS was number 7 on that list. Unfortunately, our enthusiasm was curbed by the announcement they were looking at funding the first 6 projects. We continue to keep the dialog open with Augusta and are hopeful that they will be able to fund more projects and the list will be frozen so we will be next.

**Bowdoinham Community School**

While we have many new and exciting changes going on within the District, we have a continued issue that looms over us and the entire state of Maine, dwindling funds. We are in the process of putting together the FY12-13 budget and we again will be looking at how to do more with fewer funds. Many of our expenses are beyond our control such as heating and fuel costs, insurances and contractual obligations.

We strive to keep the budget down in order to avoid raising taxes to cover the local share. Having said that, even if we only fund what we are funding at this time, towns will see an increase due to the rising costs listed previously. While we are all struggling in this economy, we are also painfully aware, that if we continue to cut in order to avoid raising taxes, we will start to affect the quality of education. Our biggest expense is at the front line of education, our teachers. We are coming to a point where class sizes and other aspects directly in line with students will be influenced by our cuts. While we all want to keep costs down, it is our belief that the education of students must be the driving factor in the budget process.

Please remember the public is welcome at board and finance meetings. If you are unable to attend, we are on Harpswell TV CH14 and our meetings are also online. There is a link on the district's website.

Respectfully Submitted  
Rebekah Stimpson

## **Biking, Walking, Paddling Group Report**

**Bradford Foley, Chairman**

The Bowdoinham Walking, Biking and Paddling Group has an active membership dedicated to the development and promotion of safe, accessible, and sustainable walking, biking and paddling opportunities for Bowdoinham's citizens.

### **Accomplishments**

- Sponsored 8th annual Earth Week Cleanup along Bowdoinham streets and roads.
- The downtown sidewalk project is underway with completion expected summer of 2012.
- Continued maintenance of Cathance River Trail.
- Updated the Town's Paddling brochure with locations for "carry-ins" along all the navigable rivers in Bowdoinham including the Bachman carry-in on the Kennebec River.

### **In Process**

- Development of maps for each trail to be available the Town Office and Town Website.

### **Ongoing**

- Support improvements for walking, biking and paddling in Bowdoinham.
- Continue working with surrounding communities to plan for the Merrymeeting Trail.
- Providing representation to the Town's Comprehensive Plan Committee
- Work with Island Trails Association, Cathance River Education Alliance, and Friends of Merrymeeting Bay to identify paddling opportunities and connections as well as with new paddling access along the Kennebec and Cathance rivers.

### **New Members Welcome and Needed!**

Meetings held on the 4<sup>th</sup> Monday of every month, 6:30-8:00 p.m., Coombs Municipal Building

Report submitted by BWBPG, March, 2012

## **Harbor Master Annual Report**

**John McMullen, Harbor Master**

During the 2011 boating season vessel safety checks were conducted at random and by appointment at the town boat ramp. The most frequent deficiency was failure to carry current dated flares. This courtesy examination of boats verifies the presence and condition of safety equipment required by State and Federal regulations. Please contact me if you would like to schedule one for your boat. Many insurance companies give discounts for boats passing this inspection.

Channel markers, No Wake and Hazard markers are installed on the Cathance River and across the Bay to assist boaters in keeping in the channel. They are normally installed the last week of May and removed the end of September. While boating, if you notice a channel marker missing or off station please notify the Harbor Master immediately.

Unsafe boating activities observed during 2011 (in violation of State boating laws) were:

- A. Boaters not using navigation lights after sunset
- B. Persons bow riding while vessel underway
- C. Watercraft being operated at a speed greater than headway speed while within the Water Safety Zone. "Water Safety Zone" means the area of water within 200 feet of the shoreline.

### **REMINDERS**

- Always check the weather before going boating.
- File a float plan with family or friend who can report your delay/non-return.
- Wear your life jacket (mandatory age 10 and under in Maine).
- Check the Harbor Master web page for tides and other safety tips.
- For tie-up use of town dock exceeding 2 hours please contact Harbor Master.
- When launching or hauling your boat be mindful of swimmers.

*Have A Safe Summer*

*John McMullen, Harbor Master*

## Department of Community & Economic Development

Nicole Briand

The Department of Community and Economic Development is funded through a TIF (Tax Increment Financing) that originated by town vote in June 2000. The funds are derived from tax dollars of the Northeast Pipeline properties located in Bowdoinham. The goal of the department is to support the existing businesses of Bowdoinham through promotion of their services, educational opportunities, community awareness and networking. The Department strives to develop and attract sustainable businesses to Bowdoinham that will reflect the high quality of life and strong sense of community that Bowdoinham is known for. Finally, the department develops, organizes, and coordinates community-enhancing events to bring together the citizens of Bowdoinham.

The Department works with the Community Development Advisory Committee to develop plans and projects to promote and support community and economic development in Bowdoinham. The Committee's first project was the development of the Bowdoinham Brochure. The Brochure highlighted all that Bowdoinham has to offer and can be downloaded from the Town's website.

The Town of Bowdoinham continues to focus its efforts toward strengthening local businesses through the Buy Local Buy Bowdoinham campaign. The Community Development Advisory Committee enlisted the professional services of Morphee Creative to develop a Buy Bowdoinham logo for promoting our buy local campaign. You can pick up a Buy Bowdoinham pen and bumper sticker at local businesses and help spread the word - Buy Bowdoinham. Many more Buy Local Campaigns will be announced in the future. If you would like your business to be featured in one of our campaigns please contact the Town Office.

Bowdoinham Farmers' Market is back for its fifth year. This year the Market will have Bowdoinham Farmers' Market reusable grocery bags to promote the Market. The Farmers' Market will be open on Saturdays from 8:30 am to 12:30 pm starting May 19th. Come on down to the Grange to enjoy great food and support our local farmers.

Sunday Concerts series begins on June 24<sup>th</sup>. The concerts begin at 6:30pm and go until at least 8pm every Sunday at Maily Waterfront Park through August 26th. This popular free concert series features a wide range of rock, folk, country and acoustic music.

Celebrate Bowdoinham was a success once again, thanks to the hard work of Peggy Muir, Lynn Spiro, Leleah Parker, Ann Tourtelotte, Ann Davis and Town Staff. Planning for Celebrate Bowdoinham 2012 is underway and we're looking forward to another fun-filled event on September 14th, 15th and 16th.

### **The Bowdoinham Community School Commemorative Quilt**

Bowdoinham's 250<sup>th</sup> Anniversary is here and the events have begun. We hope you enjoy all the great fun-filled events planned in celebration of our 250th Anniversary.

Respectfully Submitted,  
Nicole Briand

## The Community Development Advisory Committee

**Lynn Spiro, Chair**

The Community Development Advisory Committee is appointed by the Selectboard and is responsible for advising the board on developing plans designed to support and enhance economic development efforts. This Committee will develop a plan for the goals, strategies and projects for Bowdoinham's community and economic development. It was brought to fruition by a group of people who believed that working together, we as a community could work to bring sustainable economic growth, empower community spirit, develop and promote Bowdoinham as a beehive of local economic activities.

Over the past year our committee has overseen and developed the Bowdoinham brochure highlighting what is the heart of Bowdoinham, community. Sponsored by 35 businesses within the town, the magazine is available at each of the businesses location as well as available on line at [www.bowdoinham.com](http://www.bowdoinham.com). A culmination of articles and stories written by residents who take pride in the place they call home. Also included is a listing of upcoming events and activities to be held throughout the year in the town of Bowdoinham.

We have also been working diligently on the 'Buy Bowdoinham' program. We are developing strategies through marketing, advertising, and education. It is important to remember that growth and development come from supporting the businesses that keep money within a community. Our goal is to support locally owned businesses in Bowdoinham, maintain our community character, encourage opportunities for entrepreneurs, build community economic strength, and prevent the displacement of community-based businesses by the big box stores. You can help do so by supporting the businesses that support your community helping to keep the money spent right here in your own community.

**Bowdoinham Brochure**

We will be working over the next few months on projects ranging from Village signage/maps, Business development, 250<sup>th</sup> Anniversary, Celebrate Bowdoinham, TIF districts, and additional brochures. It is through these projects and the time and commitment of community members that we work to promote Bowdoinham and develop and enhance economic development efforts. Our committee currently has two openings. Please contact Nicole Briand at the Town Office for additional information. The CDAC meets the 3<sup>rd</sup> Tuesday of each month at 6:30pm, please feel free to attend and work to be a part of Bowdoinham's future.

Respectfully Submitted

## 250th Anniversary Committee

**Peggy Muir, Chair**

**B**owdoinham is about to reach an important milestone, our 250<sup>th</sup> Anniversary. In celebration, we have been working on several projects and events.

We've had a 2012 Commemorative Plate created. The new plate is modeled on the 1962 plate and is, in fact, being produced by the very same company, Kettle Springs Pottery of Ohio! The new plate will have seven scenes of town (the recycling barn, the farmer's market, the Coombs Municipal Building, a smelt shack, the Community School, the fire department, the gazebo with the Town Hall in the center surrounded by a simple wreath of flowers, the town name and the town's dates, and small drawings of a smelt, a sturgeon, a duck, an eagle). On the back, again as in 1962, there will be a short paragraph on the town. The plates will be accompanied by a short explanation of the images and the artists.

We are working on a 250th Book that will feature 125+ pages of photographs spanning the whole 250 years of town people, places, businesses and events. We will bring the "history" right up to present day, so that a photo of the hand pumper "Waterwitch" might be alongside a photo of the newest Bowdoinham Fire Engine. We will have a memorial page where you can list the names of your loved ones for whom you would like to have a dedication.

Two 250th Commemorative Quilts have been created. Kids at The Bowdoinham Community School have just completed a Quilt of their own design. Over 30 quilters have created a quilt of blocks celebrating Bowdoinham from 1762 to 1912. A quilt representing Bowdoinham from 1912 to 2012 will be created next year.

Cannon Park is being renovated. The cannon has a new base and a new flagpole will be installed along with lighting for the flag. A pathway will be created with landscaping, seating and signage. We are looking forward to the rededication of the park and a celebration of all Bowdoinham's service people this Veteran's Day.

The first 250th event was the Ice and Smelt Festival on February 3rd and 4th sponsored by the Merrymeeting Arts Center. The event included a Best Beard Contest (a repeat of the famous 1962 event), a colorful parade-a Carnival of Smelt, a bonfire and lot of fun activities. The festivities ended with the Smelt & Ice Ball, where Heather Cox and Felicity Beede were crowned royalty. Look for our Bowdoinham Smelt & Ice Royalty to make appearances at upcoming events. Thank you to Merrymeeting Arts Center for a wonderful 250th event.

Our second 250th event was Cemetery Clean-up Day on April 14th. After a morning of cleaning over 50 cemeteries, the day ended with a wonderful pot luck community lunch at the Fire Station. Thank you to all the volunteers who helped. And our ancestors thank you! We would like to extend a special thank you to Albert Stehle who coordinated the day's event, putting in many, many hours of preparation!!!

We are working on the following upcoming events and look forward to reporting on them next year:

- Chicken BBQ on June 23rd
- Celebrate Bowdoinham on September 15th
- Harvest Festival on October 20th
- Veterans' Day Celebration on November 11th
- Holiday Festival on November 30th and December 1st

We hope you enjoy celebrating Bowdoinham 250th Anniversary with us!

## Cable/Internet Advisory Committee Annual Report

Theresa Turgeon, Chair

Q

s many residents know, cable and Internet service is not available to everyone in Bowdoinham. Our contract for cable service with Comcast expired in 2008 and has never been renewed. The Cable/Internet Committee was formed to look into these issues and make suggestions to the Select Board as to how to solve these concerns for the town. The Committee met with Comcast a couple of times to discuss the renewal of our contract. These discussions are ongoing.

Members of the Committee made a field trip to Harpswell to see and learn about that operation. We learned that we could have a local access channel, which could broadcast local happenings such as the various board and committee meetings, local sports events, and other community happenings. Some Committee members met with James Marshall from Maine Video Systems about what equipment we will need and the costs.

The Committee is also looking into other possible providers of Internet service. We met with a representative of Red Zone. Red Zone is a high-speed wireless provider, which represents an exciting alternative. However, Red Zone itself is not at this time able to work with us and so we are pursuing other similar possible providers. The Committee is also looking at Vermont's situation. Vermont has a consortium of towns that are working on providing fiber optics to their residents. Our Committee feels that this will be our best long-term solution in the ever-changing world of Internet service.

As to broadcasting and recording local events, the Committee is also looking into available options so that meetings and other events can be broadcast live and archived using the Town's web site. The Muskie presentation to the Comprehensive Planning Committee was videotaped. You can see the presentation by going on line to

Justin.tv/Bowdoinham/videos. While some members of the committee are interested in pursuing broadcasting these events via the Internet we do not know if town residents are

interested in having this service. If you are interested in being able to view board and committee events or if you have questions, please let the committee know. You can do this by contacting the committee through Theresa Turgeon, the Cable/Internet Committee Chair, via email, at [tturgeon@bowdoinham.com](mailto:tturgeon@bowdoinham.com).

As the Chair of this Committee I want to thank all the members for their ongoing work for Bowdoinham. Those members are Bert Singer, Ray Hall, Monika Ullian, and Jarod Johnson plus new members Tony Lewis and Sally Martinez. I also want to thank David Mann, Ed Ferranti and Cynthia Harkleroad who worked with us but had to resign because of time conflicts.

Theresa Turgeon, Chair, Cable/Internet Committee

## Fire Department Report

**Jack Tourtelotte, Fire Chief**

**Rodney Douglas**  
Deputy Fire Chief

**David Lewis**  
Deputy Fire Chief

**W**e have been maintaining between 25 to 28 personnel on the roster this past year. Unfortunately we lost a long time friend and dedicated member in Gary Frizzle. Gary will be sadly missed not only for his leadership, but for his experience and wealth of knowledge.

### Training/New Membership

The Department is always looking for new members. If anyone would like to join we have been training every Monday night at the station or at the water front. There are 18 mandatory training days a firefighter has to take annually. This generally works out to be about 8 months of training. This is state required so it does not include all the in house training we execute on a Monday night.

Information about membership is found at our website:  
<http://bowdoinhamfire.com/>

### Special Thanks

Everyone at the Department would like to thank Jennifer Foley. Jennifer worked tirelessly in securing a grant from the Stephen and Tabitha King Foundation in the amount of \$50,000. This grant helped us purchase a new fire truck. We received the fire truck in December and it was in full service in January. I would like to thank the Ladies Auxiliary and the Fireman's Association for the generator and head sets for the new truck. I would also like to thank the town's people for their support.

### Burn Permits

Burning Permits are issued every Saturday and Sunday morning between 7:30a.m. to 8:30a.m. if weather permits. There are five Fire Danger Ratings that guide the issuance of burning permits. For information about fire ratings please visit:

<http://www.bowdoinham.com/fire-department.>

The Fire Department had 98 calls in 2011.

The graph below shows a breakdown of our calls over the last three years.

## Bowdoinham Emergency Medical Services

Ann Davis, Director

**B**owdoinham EMS received 189 calls in the last year. Thanks to our great responders the majority of these calls were responded to by our service. We are still in dire need of day time help. I would also like to report that there is a huge need for people to put numbers on their houses or somewhere so that emergency responders can see them. We have had a difficult time recently finding a specific residence especially if there are 4 or 5 mailboxes in the same place and none of the houses to go with them are marked. So please do us a favor and number your residence for us so we can find you quickly in time of need. It makes it easier for us and our dispatch that is trying to steer us in the right direction.

There are 11 Responders on our roster at the present time.

They are as follows:

Ann Davis...	Chief and EMT-Basic
Colleen Wormwood...	Paramedic
Linda Williams...	EMT-Intermediate
Dawna Bowlin...	EMT-Basic
Deb Frizzle...	EMT-Basic
Teresa Graeff...	EMT-Basic
Betsy Ham...	EMT-Basic
Sean Bachelder...	EMT-Basic
Mike Davis...	Helper

We hold our trainings and meetings on the 1st Thursday of each month at the Bowdoinham Fire Station at 6pm. We are always looking for members. If you should

decide to join us and be a licensed EMT we will pay for half of your class up front and then once you complete the class we will reimburse you for the rest. We will supply you with all your equipment and clothing. Come to one of our meetings and see what we are all about.

We are always available with EMS coverage if you have or know of someone having an event that you would like us present. We like to be a part of town events.

We will be selling 250th anniversary cookbooks this summer. I want to thank all the wonderful cooks in this town that donated recipes. It will be a great cookbook with old and new pictures of Bowdoinham. They should be ready by the end of May and if you are interested in purchasing one watch for us at the towns events or call me at 751-4238.

I would like to take this time to thank my responders for the awesome job they do covering this town for medical calls and I am very lucky to have each and every one of you on our team. I also would like to thank their families for putting up with the pagers going off in the middle of the night waking everyone up or taking them away from family time.

Most of all I would like to thank the people of the Town of Bowdoinham for always being there to support us in any thing we do. This is a wonderful town to live in and I am so pleased I am a part of it.

Respectfully Submitted,  
Ann Davis, EMS Chief

Celebrate Bowdoinham 2011

## **Local Health Officer**

**Rebecca Miller, RN,MPH - Local Health Officer**

---

In 2011, influenza was not as big a problem as it had been in 2009 and 2010. However, there were still plenty of cases around the state. A free clinic was set up by CHANS for Bowdoinham in the fall and likely will be again in the fall of 2012. Even if the flu is not expected to be a problem, it is still very important to get a flu shot. Influenza can be still be very dangerous for some individuals. For more information on influenza in Maine, call 207-287-8016 or go to:

<http://www.maine.gov/dhhs/mecdc/infectious-disease/epi/influenza/maineflu/>

Ticks and mosquitoes continue to be a problem each year. The mosquitoes may carry the eastern equine encephalitis (EEE) and West Nile Virus (WNV). These diseases can be dangerous. Maine does not see a lot of cases of EEE and WNV, but precautions still should be taken to avoid them. By draining off standing pools of water, using insect repellent as directed, wearing long sleeves and long pants while out in the yard and woods helps prevent these diseases. Lyme disease is transmitted by the deer tick. There have been many cases of Lyme disease reported in Maine and incidents continue to rise. If you or a family member develops flu like symptoms or rashes that are not explained, see your doctor and discuss the possibility of these diseases. For more information, go to:

<http://www.maine.gov/dhhs/mecdc/infectious-disease/epi/vector-borne/index.shtml> or call 1-800-821-5821.

Mold continues to be an ongoing problem for many homeowners. Mold generally is not toxic, however it can cause damage to your home or items in your home. If an individual has a respiratory illness such as COPD or asthma, mold may worsen their symptoms. If your home has a mold problem, call 1-800-821-5821 or go to:

<http://www.maine.gov/dhhs/mecdc/infectious-disease/epi/disease/mold.shtml>

All local health officers in Sagadahoc County meet bi-monthly to discuss on-going health related issues in our communities. We also provide brochures and material every two months on various health topics of interest. These brochures can be found in your town office. There is information that may be seasonal (ticks, carbon monoxide, etc) as well as general information about resources available to our citizens such as Oasis health clinic, or information about free mammograms. Check it out next time you are in the town office. If you have any requests for special information or have a question that I can help with, please feel free to contact me at

[rebeccamillermph@gmail.com](mailto:rebeccamillermph@gmail.com) or call the town office.

Sincerely,  
Rebecca Miller

## Water District Trustees Report

**F. D. Oakes, Jr., Chairman**

Our Bowdoinham Water District continues to contract its business office functions to the Richmond Utilities District – thus allowing the two districts to share staff and equipment. It also allows the two districts to back-up each other in case of emergency. This arrangement has worked very well for almost 20 years.

Our District has recently given up its “666” phone number and uses the same “737” number as Richmond. Our Board considers that the inconvenience is worth the savings in phone costs. All other regular and 24 hour emergency services remained unchanged, and you can still pay your water bill at our Town Office.

The District phased in a 4½% rate increase last fall in order to compensate for the inflation over the preceding 5 years. New operating economies offset the remaining balance of the cost increases.

The next operating economy being studied is the possibility of refinancing some of our existing loans at lower rates. We expect that this will be a challenge because the interest savings must also pay for the fees to re-bond the debt.

Trustee, George Harvey Freeman retired from our Board after 11 years. “The Harve” was a champion of wise, frugal and exacting money management. He also sometimes served as an ambassador of the District and negotiated some of our most difficult contracts. And, he brought an understanding of how public water supplies are influencing property loan requirements in more populated states. “The Harve” will be missed.

We welcome David Reinheimer to fill the vacancy on our Board. David is a Licensed Professional Engineer – as is each of the other Board members. It is a licensing requirement that a “PE” must make not only sound engineering recommendations, but those recommendations must also be economically viable. Accordingly, David’s joining our Board augurs well for continuing our operating economy initiatives.

Again, please report unusually wet areas for our leak investigation. Fewer leaks reduce pumping and treatment costs and postpones the need to develop additional sources of supply. These savings accrue to both the District customers and all residents through lower property taxes.

### **Maily Waterfront Park**

Our District is a quasi-municipality that has provided water to Bowdoin and Bowdoinham since 1959. The Board has 5 Trustees, who are appointed by the Selectmen of Bowdoinham for three-year terms. If possible, one Trustee should be a resident of Bowdoin to represent those customers. Moreover, by-laws state that as many Trustees should be ratepayers as practicable. No Trustee has ever drawn pay for his or her service on our Board. The monthly business meetings are open to the public and are held on the third Thursday of every month in the Bowdoinham Town Office Building at 7:00 p.m. The District Superintendent and the Business Manager also attend each meeting.

Sincerely,  
F.D. Oakes, Jr.

## Public Works Department

### Chadd Mayo, Foreman

The winter of 2011-2012 was another crazy winter. As of February 24<sup>th</sup> we had 44 inches of snow with 25 events. While many of the storms did not give us a great deal of snow, they did provide challenges in the length of the storms and the amount of material used to keep the roads safe. I would like to take the time to thank the public works crew and our snow removal contractors for their hard work and dedication. The new sidewalks in town added some extra work to be done in the winter months, but it was well worth it to see the residents walking safely on the sidewalks instead of on the side of the road or in the snow bank.

There was a lot of construction going on in town last summer and fall. The biggest one was the complete reconstruction of Center Street that was done by Ray Labbe and Sons, Inc. The project consisted of the removal of the old pavement and adding gravel to the road base. The project also improved the water drainage by installing catch basins and replaced the big metal culvert with a new concrete box culvert. After Labbe and Sons completed the road base and drainage improvements, the first layer of new pavement was placed. The sidewalks were constructed by Off-Road Construction Inc. and included new sidewalks on Center Street, Main Street, Bay Road and River Road. Center Street received its final layer of pavement after the sidewalk was completed. During spring of 2012, Off-Road Construction, Inc. will return to place loam and seed on the areas near the sidewalks and correct any issues that may remain from last fall.

Reconstruction work was also completed on School Street and Spring Street. This work was performed by the Public Works Department. The project consisted of rebuilding the catch basins and widening the roads by up to two feet in places to make room for new curbing.

After the preliminary work was done the roads got a fresh layer of pavement.

This summer was no different than any of the past summers with a lot of work being done on our gravel roads. There was work done on Carding Machine Road, Dingley Road, Blanchard Road, Steven's Road,

Center Point Road and the gravel part of Browns Point Road.

I would like to thank The Army National Guard for the work they completed on Curtis Farm Road. This work was completed in the spring of

2011 to improve water drainage and to replace two 24-inch metal culverts that were starting to fail. They also graded the road and removed a few trees.

During the summer of 2012, more work will be completed on the gravel road system to maintain the best service we can to the residents and motorists that use them. The work on gravel roads will start in the late spring and be done occasionally until the fall. Additional construction work will include construction of a sidewalk on Cemetery Road and Ridge Road from Cemetery Road

to River Road. In addition, the lower portion of Ridge Road will be reconstructed with new underground drainage, gravel base and new pavement. Let's all hope for a nice summer after this odd winter. I would like to thank former Public Works Director Kevin Prout for his many years of service to the Town of Bowdoinham and wish him well in his new position with the Maine Department of Transportation.

Thank you,  
Chadd Mayo  
Public Works Foreman

## **Bowdoinham Public Library Report**

**Kate Cutko, Librarian**

It seems that Bowdoinham is inspired by its 250<sup>th</sup> anniversary celebration. Many people have become inspired to learn more about the town history, checking out Silas Adams' History of the Town of

Whereas home use of Ancestry.com requires a monthly fee, Maine's public libraries now offer it as a free service. Patrons may now come to the library and do their genealogical searches free of charge via **Ancestry.com Library Edition.**

Will Zell, a local web designer, has helped launch a newly designed website for the library. The new address is [www.bowdoinhamlibrary.com](http://www.bowdoinhamlibrary.com). Please check it out and change your old bookmarks to lead you to our new site. We would like to publically thank Betsy Steen for her years of maintaining the old website site and to Will for creating the new one.

Library programming continues with Storytime each week, two book groups each month and an annual summer reading program. New fiction and nonfiction arrives each month adding to the 10,000 volumes we have in circulation. We welcome you to stop by and see what we've got.

Kate Cutko  
Library Director

### **Annual Plant Sale 2011**

Bowdoinham and others are inspired to collect and share the history that they themselves have gathered. The library as well as the Historical Society has some wonderful materials to share with patrons, from family histories, to newspaper clippings, to a complete set of "*Bowdoinham Advertisers*", old town reports and death records. The library is proud to house the Connors Collection; a collection of books and files pertaining to Maine history, given to the library by Frank and Jane Connors. We encourage townspeople to come and see what we've got and we hope that those with photographs and materials about town history will share those materials with us all. A new scanner here in the library now allows people to capture and share their treasured photos and documents at no cost.

A new history resource now available at the library is Ancestry.com. Some of you may be familiar with this web-based resource for doing genealogical research.

**250th Quilt Square**

## Planning Department

Nicole Briand

**Center Street Sidewalk**

It has been another busy year with a lot of exciting things happening in Bowdoinham.

Our Sidewalk Project has been underway since the voters of the Town of Bowdoinham approved spending \$133,750 to match a “sidewalk” grant of \$535,000 in Federal Enhancement Funds from the Maine Department of Transportation Quality Community Program, on November 3, 2009. The Town is carrying out this project as a Local Administered Project and has hired Pine Tree Engineering to do the project design and assist with the construction

administration. Off-Road Trucking was awarded the construction contract and began the sidewalk construction in August of 2011. Sidewalks have been constructed on Main Street, Center Street and River Road so far. Off-Road Trucking will be completing the project with sidewalks on School Street, Bay Road, Ridge Road and Cemetery Road this year.

**Bowdoinham Community Skatepark Location**

The Skatepark Project is really rolling now. Since voters approved the new location of the park at Town Meeting in 2011, we have obtained the necessary permits for the project. We are just beginning the process of designing the skatepark and raising money for its construction. This is an exciting project and we welcome all that are interested to join us!

The Merrymeeting Trail Initiative is working to create a regional trail from Topsham to Gardiner, which connects: the Androscoggin River Pedestrian Bike Path in Topsham, the Village Area in Bowdoinham, the Village Area in Richmond, and the Kennebec River Rail Trail in Gardiner. We have made a lot of progress over the last year. VHB's Feasibility Study

and Wright-Pierce's Trail Segment Sheets have been completed. We have been awarded assistance from the National Park Service, which brings the expertise of Burnham Martin to the project. And most recently, Kennebec Estuary Land Trust has agreed to provide staff to work on the project coordination and outreach. Our focus over the next year will be to develop the organizational structures to support the Merrymeeting Trail, develop signage for the interim on-road route, and construct our first trail segment. We look forward to an exciting year ahead!

I have been working with the Planning Board with reviewing applications and assisting applicants with putting together their application package for the Planning Board. This year was a relatively quiet year for the Planning Board, which allowed the Board time to review the new Land Use Ordinance.

Comprehensive Plan update is underway with the Town's Comprehensive Planning Committee. This sixteen person Committee wants to create a Comprehensive Plan that represents what the Townspeople of Bowdoinham really want. To accomplish this goal the Committee will be soliciting your input over the next two years, so please do not be shy. We look forward to hearing your thoughts.

Respectfully Submitted,  
Nicole Briand

## Planning Board Report

**Paul Baines, Chair**

The Planning Board has had a busy year. As many of you may know we have spent a considerable amount of time on the Central Maine Power's permit application as part of the Maine Power Reliability Project. The MPRP is upgrading the power lines, which cross the North end of Merrymeeting Bay just upstream from the chops on the Kennebec River. This process began in February 2011, and is nearing completion at this writing.

The board has also been busy in reviewing our ordinance and recommending improvements for the residents of the town to vote on. We encourage anyone that may have suggestions to improve the way our ordinance serves the Town of Bowdoinham to please bring these to our attention. Suggestions may be forwarded through the Town Office or through the Town Planning Office.

**Center Street**

Our CEO Nicole Briand continues to work diligently and exhaustively on behalf of all of the Town residents and we appreciate her hard work and professionalism.

**Veterans Park and Cannon  
2011**

We miss the voice and input of Billie Oakes and we hope she is enjoying her retirement from the board.

We have had the pleasure of two new faces on the board as alternates in Dan Stockford and Nathan Drummond, they bring a valued perspective and input to the board.

Ellen Baum has passed the gavel of Chair to Paul Baines. The town has been quite blessed to have had Ellen in the chair position, as her diligence and expertise have been a great service to the residents of Bowdoinham. Although Ellen will be missed as chair she will continue to serve as an invaluable board member. We thank you Ellen.

We look forward to serving the residents of the Town of Bowdoinham throughout the coming year.

Respectively Submitted

## Comprehensive Planning Committee

**Cynthia Lamoreau, Chair**

Over the past year we have had eighteen meetings, twelve regular committee meetings and six workshops. After finishing the visioning process and finalizing the Vision Statement, we started to formulate the Goals for the Comprehensive Plan. In following the State's Guidelines for Comprehensive Plans we have developed goals for the following sections of our Plan:

- Economy
- Agriculture
- Forests
- Natural Resources
- Water Resources
- Historical & Archaeological Resources
- Recreation
- Transportation
- Housing
- Public Facilities & Services
- Fiscal Capacity and Capital Investment Plan

After six months of gathering input from the public, we finalized the Goals in January 2012.

Now that the Goals are complete, we are working on developing the strategies the Town should use to reach its goals. To help us formulate the strategies, we have held four workshops to gather public input. In addition, we have met with several other Town Committee and local organizations and created two Agriculture Task

Force groups to develop strategies for the Town.

We will continue to work on developing the strategies over the next six months. Then we will begin working on the Future Land Use for the Town.

We encourage all who are interested to attend a meeting or write us. Our regular meetings on the first Tuesday of the month at 6:30pm at the Town Office and Workshops will be advertised. We hope to hear from you as we continue our process.

1) It shall be unlawful, without first obtaining a permit from the appropriate reviewing authority, to:

- a) engage in any activity or use of land or structure requiring approval in the district in which such activity or use would occur; or
- b) expand, change, or replace an existing use or structure; or
- c) renew a discontinued nonconforming use; or
- d) engage in the construction, alteration, relocation, demolition or replacement of any building or part thereof; or
- e) perform plumbing work
- f) create a subsurface wastewater disposal system

2) The change of a business shall not require a permit, if the change of business is not a change of the land use (i.e. retail business, service business, professional office).

3) The following activities are exempt from requiring a building permit, if the property is in compliance with all of the Town of Bowdoinham's Ordinances, as well as all applicable Statutes, Rules, and Regulations of the State of Maine:

- a) The construction, alteration, addition, relocation, demolition, or replacement of a shed or residential accessory structure that has a total area of 150 sq ft or less.
- b) The maintenance, repair, or replacement of a portion of a building that does not involve any change in the building's internal layout or external footprint, which includes any deck area.

If you are planning a new project on your property and are not sure if you need a permit, please call me at the Town Office, 666-5531; and I will help you figure out what permits are required.

Nicole Briand, CEO/LPI

## Animal Control Officer

### Cliff Daigle, Animal Control Officer

**Cliff Daigle, ACO**

#### Breakdown of Services/Calls/Incidents in 2011

Calls received for service and information	<b>610</b>
Calls received regarding cats	<b>115</b>
Calls received regarding wildlife	<b>62</b>
Court summons issued	<b>36</b>
Dog/Cat bites in town	<b>12</b>
Unlicensed dogs	<b>310</b>
(owners were given written and or verbal warnings)	

#### Fees

\$6.00 per year for spayed/neutered dogs
\$11.00 per year for dogs not spayed/neutered
\$25.00 warrant fee after January 31 <sup>st</sup> of each year

All dogs 6 months and older must have a license. In order to obtain a license for your dog, the owner must provide a **current** State of Maine Rabies Certificate. If your dog has been spayed or neutered please bring that certificate with you also.

#### Kennel inspection 2011

Kennel rules and regulations:

All dogs in town/state are to be licensed at six months of age. Rabies shots are required to for all dogs, cats and ferrets.

All dogs kept outside need proper shelter with shelters having 4 sides, water proof, and a roof. If chained, the chain must be at least 5 times the size of the dog.

#### Programs Initiated

The following programs were in operation during 2011:

- ◆ Rabies prevention program
- ◆ Interactive program with the Community Policing in area
- ◆ Emergency program for animals of Bowdoinham - Animal Response Team
- ◆ EMA program for animals in danger of storm and disaster
- ◆ Animal food program with area food bank and shelter for town people in need
- ◆ Training with the Sheriff's Dept and Local Fire Department on what to do with an animal they may encounter arriving first on scene

I believe that with education, together we can make a difference with the public in the Town of Bowdoinham.

Clifford Daigle,  
*Animal Control Officer 2011*

## **Recycling & Solid Waste Department**

**David Berry, Solid Waste Manager**

The Solid Waste and Recycling program has had a year of both stability in its regular operations and concerns for its long-term future. Continued demand for recyclable materials has kept our income line healthy, and staff efficiency has kept a smooth flow of materials through the Recycling Barn, to market or for disposal. Our curbside hauler, Richard Plummer & Son, continues to do a good job whatever the weather conditions. With the exception of our electric pallet truck, which will need to be replaced soon, the remainder of our recycling equipment - two balers and two trucks - is in good working order.

The long-term concerns regarding the Town's solid waste program stem from the collapse of a small section of the Recycling Barn roof under a heavy snow load in March, 2011. As a result, the Town's workers' compensation insurance carrier refused to provide coverage for Town employees in the building after December 31, 2011, unless the roof structure was brought up to code, or an expensive snow removal policy was adopted. The Town Manager obtained workers' compensation insurance through another insurance company before the December deadline arrived, but a discussion of long-term Town occupancy of the building has become more important. A task force was set up by the Town Manager this past fall to provide residents with information about all the various options available for operating our solid waste program in the future, as well as options for the Public Works Garage. It is hoped that with community input in the spring, a proposal for the future operations of the solid waste program can be brought to the Town Meeting in June or at a future special town meeting.

With the economy as tight as it is these days, the Town's recycling program offers an easy way to save money on your trash bill. Recyclable materials make up the bulk of all household waste, and can be picked up curbside or dropped off at the Barn for free, instead of paying \$2.50 a bag, or \$40 or more each month for a private dumpster to dispose of them as trash. Except for mixed recyclables (co-mingled containers), all the other recyclable materials collected at the Barn bring the Town income that exceeds the cost of processing, storing and shipping them and helps reduce the cost of the program to Town taxpayers.

Once more, I am bound to thank the staff at the Barn for their good work over the past year, as well as the residents who make our lives easier by bringing us clean, well-sorted recyclables, and taking away a lot of stuff to boot!

Respectfully submitted,  
David Berry, Solid Waste Manager

RANKING MEMBER, SMALL BUSINESS

Dear Friends:

*I want to thank you for the opportunity to extend my warm greetings to the people of Bowdoinham, and take just a moment to offer a few thoughts about the past year as we look ahead to the year to come. Indisputably, as we continue to face historic challenges as a nation, as a state, and as individual towns and cities, our economy remains of paramount concern, and justifiably so, as we are still plagued by the worst economic downturn since World War II. Indeed, as countless Mainers have conveyed to me in roundtable discussions and on Main Street tours, the crushing job creation drought that too many have endured for far too long must not become the new normal.*

*Thankfully, there are steps that Congress and the Administration can take right now to expand our private sector. We can best unleash the genius and innovation that have made our country the most exceptional in human history, I believe, by addressing the following three pro-growth pillars, consisting of a balanced budget amendment, regulatory reform, and tax code overhaul, all of which I have championed in the Senate.*

*It is long past time that Congress bridge the partisan divide and unite around a pro-growth jobs agenda to pass a balanced budget amendment to the Constitution just as Maine and 48 other states already have, to end the regulatory rampage in Washington that has hamstrung our economy, and to overhaul the far-too-complicated, unwieldy tax code. American taxpayers expend 7.6 billion hours and spend \$140 billion – or one percent of GDP – just struggling to comply with tax filing requirements – and that burden must end.*

*The fundamental question is, what kind of country do we want America to be? Mainers, like all Americans, are rightly frustrated and angry that we have an expansionist government and a record accumulation of debt, and yet they don't see any positive difference in their own lives. I share that frustration and anger. And I hope you will work with me to forge a brighter future worthy of the greatest nation on Earth, bearing in mind as we move forward that economic and homeland security cannot be mutually exclusive. In that light, we remember today – and every day – the extraordinary service and sacrifice of our brave servicemen and women in Iraq, Afghanistan, and around the world who comprise the finest defense force on the planet.*

*Please be assured, I will continue to work tirelessly on behalf of the people of Maine and America. I encourage you to visit my Senate website at [www.snowe.senate.gov](http://www.snowe.senate.gov) for additional details on how you can join with me in these efforts, obtain helpful government information, and share any concerns or legislative input you may have. You may also visit with members of my staff at my Regional Office located at 3 Canal Plaza, Suite 601 in Portland or by calling 874-0883 or toll free in Maine at 1-800-432-1599.*

Sincerely,

ARMED SERVICES  
SPECIAL COMMITTEE  
ON AGING

Dear Friends,

As we begin a new year, I welcome this opportunity to share some of my recent work for the people of our great state.

The economy and jobs remain my highest priorities. More efficient transportation is essential to our economic growth. After a years-long, hard-fought battle, I successfully pushed through Congress a bill I wrote to allow the heaviest trucks to travel on Maine's federal interstates, instead of forcing them to use our secondary roads and downtown streets. This will make our streets safer, reduce fuel consumption, and allow our businesses to be more competitive. I was pleased to have the support of many Maine groups, from the Maine State Police and the Parent-Teacher Association to the Maine Motor Transport Association and many others that helped me advocate for this sensible change.

I was also successful in my efforts to prevent the federal government from limiting certain vegetables, including Maine's potatoes, in school meal programs. Nationwide this ill-conceived proposal would have cost our schools, the states, and families an estimated \$6.8 billion over five years. I built support from both sides of the aisle and from across the country to ensure that schools maintain the flexibility they need to serve students healthy and affordable meals. This proposed rule was a prime example of excessive Washington regulation.

In my effort to protect jobs, I also introduced bipartisan legislation to ensure that the proposed EPA regulations known as the "Boiler MACT" rules protect the environment and public health without jeopardizing jobs in our state, particularly in the forest products industry. I also continued to help advance the development of deep water, off-shore wind energy at the University of Maine, which has the potential to provide clean energy and to create thousands of new jobs.

On the Armed Services Committee, I worked to secure funding for shipbuilding at Bath Iron Works, submarine overhauls at Portsmouth Naval Shipyard, and the manufacturing of aircraft engines at Pratt and Whitney, as well as to strengthen the 101st Air Refueling Wing in Bangor and the Maine Military Authority in Limestone. The new defense funding bill also includes my amendment to expedite the claims of veterans with severe disabilities like the soldier I met who is suffering from ALS, also known as Lou Gehrig's disease.

Last year, the President signed legislation I coauthored creating a national plan for combating Alzheimer's disease, which affects more than five million Americans and their families. In another health-related development, at my urging, the Food and Drug Administration allowed clinical trials to begin on the artificial pancreas, a device that could dramatically improve the health and quality of life for people with Type I diabetes.

Many Mainers have contacted me to express concern about the Postal Service, which is the linchpin of a nearly \$1 trillion mailing industry that employs 8.6 million people. I've sponsored bipartisan legislation to rescue the U.S. Postal Service from financial failure next year. This bill provides flexibility to the USPS to restructure itself in an effort to save billions of dollars and preserve universal postal service for all Americans, no matter where they live.

In December, I cast my 4,825<sup>th</sup> consecutive vote, making me the longest currently serving Senator never to have missed a vote. I am grateful for the opportunity to serve the Town of Bowdoinham and Maine in the United States Senate.

If ever I can be of assistance to you, please contact my Portland state office at (207) 780-3575, or visit my website at <http://collins.senate.gov>. May 2012 be a good year for your family, your community, and our state.

Sincerely,

Susan M. Collins

Dear Bowdoinham Residents:

It is an honor to serve as your Senator in the Maine State Legislature. This year is the second year of the 125<sup>th</sup> Legislature and, as a result, we are constitutionally limited to considering carried over legislation from last session and matters deemed budgetary or an emergency, as well as legislation submitted by the Governor. This year the overwhelming emphasis will be addressing the state's budgetary shortfall. Unlike the federal government, our state is constitutionally required to maintain a balanced budget. In this process, it should be our responsibility to move forward in a thoughtful, fiscally responsible manner that addresses the shortfall. In addition to the budget, we are also in the process of acting on more than 300 pieces of legislation, which include a broad range of topics from economic development, healthcare, education and the environment, amongst others. This session I continue as a leader on the Joint Standing Committee on the Environment and Natural Resources, as well as a member of the Maine Economic Growth Council. In these roles and as your voice in the Legislature, I continue to advocate for Maine, and our region, by focusing on positioning us for job creation and long-term economic growth, while not jeopardizing the wellbeing of Mainers and our natural resources. The current economic challenges are great, however, it is important to remain optimistic and promote our region and our state. We have vast natural resources, a highly regarded work ethic and great opportunities for economic growth.

Once again, it is an honor to be your voice in the State Senate. Please do not hesitate to contact me with questions or comments, or if need assistance with state government. You can reach me via email at [seth@sethgoodall.com](mailto:seth@sethgoodall.com) or at my home at **737-4797**.

Warm regards,

Senator Seth Goodall  
Senate District 19, Sagadahoc County and Dresden

## HOUSE OF REPRESENTATIVES

2 STATE HOUSE STATION

AUGUSTA, MAINE 04333-0002

(207) 287-1400 TTY: (207) 287-4469

Dear Bowdoinham Neighbors:

Since our last town meeting, there has been good news and bad from Augusta. While many agree jobs should be the focus, there have unfortunately also been a few distractions.

On the bad side, last June's biennial state budget further reduced aid to towns and schools in order to help pay for new income tax cuts. High-income individuals who pay more in income taxes than property taxes will gain from these changes, while most Mainers will lose.

To prevent this shift, I offered an amendment to reduce the tax cuts for the very wealthy and instead to provide more aid to towns, greater tax cuts for the middle class and working families, and stronger finances for the State going forward. This amendment did not pass.

Later, the Governor disclosed that his Commissioner of Health and Human Services had provided incorrect numbers for the budget. This means it has to be rewritten, to stay balanced as required by our Constitution. In December, the Governor proposed to close his new gap by cutting health care for 65,000 Mainers, drugs for the elderly, and funding for Head Start and child care.

As I write this in mid-April, new budget issues have surfaced in Augusta. I have proposed balancing the budget by containing costs through better prevention and health care management, and by taxing the wealthiest 1% at the same combined state and local rate the rest of us pay. This would close the gap, put us on stronger fiscal footing, and allow investments in our future.

In the education arena, I sponsored legislation last spring that helped Maine become one of just nine states to receive a competitive federal grant for \$30 million to improve home visiting programs and to deliver lifelong gains for Maine's infants and toddlers. Alongside our school board members, I also continue to advocate for long-overdue reconstruction funding for Mt. Ararat, and for the state to fund 55% of education costs as mandated by voters in 2004.

Last spring during frost heave season, I invited the new Transportation Commissioner to ride the roads of our area with me. He did, and within months several miles of Routes 24 and 125 were repaved. I continue to press for rebuilding not just repaving, as this creates both jobs and savings.

It is an honor to serve as your Representative, and I could not be prouder to represent our great town of Bowdoinham on its 250th anniversary! As always, I welcome your comments, questions and suggestions as I work for you in Augusta. Please contact me anytime at any of the numbers below. Also, please email me if you would like to receive my regular electronic updates.

Sincerely,

A handwritten signature in black ink that reads "Seth".

**REPORT OF CERTIFIED PUBLIC ACCOUNTANTS**

**Independent Auditors' Report**

Board of Selectmen and Manager  
TOWN OF BOWDOINHAM  
Bowdoinham, Maine

We have audited the accompanying financial statements of the governmental activities, major funds, and remaining fund information, which collectively comprise the financial statements, of the Town of Bowdoinham, Maine as of and for the year ended June 30, 2011, as listed in the table of contents. These financial statements are the responsibility of the Town's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We were unable to obtain sufficient evidential source documentation to support the permanent funds because the relevant legal indentures could not be located. The prior audit reports did not distinguish between expendable and nonexpendable trust funds.

In our opinion, except for the permanent funds, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, major funds, and remaining fund information of the Town of Bowdoinham and the changes in financial position and cash flows, where applicable, of those activities and funds and the budgetary comparison for the general fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The budgetary comparison information is not a required part of the financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Town of Bowdoinham, Maine has not presented Management Discussion and Analysis that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be part of, the financial statements.

EXHIBIT IV

**TOWN OF BOWDOINHAM  
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO  
STATEMENT OF NET ASSETS  
JUNE 30, 2011**

<b>Total Fund Balances – Total Governmental Funds</b>	<b>\$1,567,608</b>
---	--------------------

**Amounts Reported for Governmental Activities in the Statement of  
Net Assets are Different Because:**

Capital Assets Used in Governmental Activities are Not Current Financial Resources and Therefore are Not Reported in the Governmental Funds Balance Sheet	985,711
---	---------

Interest Payable on Long-Term Debt Does Not Require Current Financial Resources and Therefore Interest Payable is Not Reported as a Liability in Governmental Funds Balance Sheet	(20,840)
---	----------

Property Tax Revenues are Reported in the Governmental Funds Balance Sheet Under NCGA Interpretation-3, <u>Revenue Recognition- Property Taxes</u>	103,751
---	---------

Long Term Liabilities are Not Due and Payable in the Current Period  
and Therefore, They are Not Reported in the Governmental Funds  
Balance Sheet:

Due in One Year	\$ 85,035	
Due in More Than One Year	543,349	
Accrued Compensated Absence Pay	<u>15,009</u>	<u>(643,393)</u>

<b>Net Assets of Governmental Activities</b>	<b><u>\$1,992,837</u></b>
--	---------------------------

The Notes to the Financial Statements are an Integral Part of This Statement.

**TOWN OF BOWDOINHAM  
RECONCILIATION OF THE STATEMENT OF REVENUES,  
EXPENDITURES AND CHANGES IN FUND BALANCE OF GOVERNMENTAL FUNDS  
TO THE STATEMENT OF ACTIVITIES  
FOR THE YEAR ENDED JUNE 30, 2011**

**Net Change in Fund Balance – Total Governmental Funds** \$100,297

**Amounts Reported for Governmental Activities in the Statement of Net  
Assets are Different Because:**

Governmental Funds Report Capital Outlays as Expenditures. However, in the Statement of Activities the Cost of Those Assets is Allocated Over Their Estimated Useful Lives and Reported as Depreciation Expense. This is the Amount of Capital Assets Recorded in the Current Period. 0

Depreciation Expense on Capital Assets is Reported in the Government-Wide Statement of Activities and Changes in Net Assets, But They Do Not Require the Use of Current Financial Resources and Therefore, Depreciation Expense is Not Reported as Expenditure in Governmental Funds. (74,484)

The Issuance of Long-Term Debt (E.G. Bonds, Leases and Accrued Compensated Absence Pay) Provides Current Financial Resources to Governmental Funds, While the Repayment of the Principal of Long-Term Debt Consumes the Current Financial Resources of Governmental Funds. Neither Transaction, However, has Any Effect on Net Assets. Also, Governmental Funds Report the Effect of Issuance Cost, Premiums, Discounts, and Similar Items When Debt is First Issued, Whereas the Amounts are Deferred and Amortized in the Statement of Activities. This Amount is the Net Effect of These Differences in the Treatment of Long-Term Debt and Related Items. (118,965)

Some Property Tax Will Not be Collected for Several Months After the Town's Fiscal Year End; They are Not Considered "Available" Revenues in the Governmental Funds. This Amount is the Net Effect of the Differences. (30,289)

Accrued Interest Expense on Long-Term Debt is Reported in the Government-Wide Statement of Activities and Changes in Net Assets, But Does Not Require the Use of Current Financial Resources; Therefore, Accrued Interest Expense is not Reported as Expenditures in Governmental Funds. (17,694)

**Change in Net Assets of Governmental Activities** \$ (141,135)

**Smith & Associates, CPAs**  
A Professional Association  
Yarmouth, Maine 04096

**TOWN OF BOWDOINHAM  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2011**

**NOTE 9 – OVERLAPPING DEBT**

The Town's proportionate share of Sagadahoc County's debt is not recorded in the financial statements of the Town of Bowdoinham. At June 30, 2011, the Town's share was 5.86% (or \$600,064) of the County's outstanding debt of \$10,240,000.

The Town's proportionate share of Maine School Administrative District No. 75's debt is not recorded in the financial statements of the Town of Bowdoinham. At June 30, 2011, the Town's share was 12.03% (or \$1,618,337) of the District's outstanding debt of \$13,456,875.

**NOTE 10 – TAX INCREMENT FINANCING/DEVELOPMENT DISTRICTS**

During 2002, the Town of Bowdoinham was given approval for the creation of the Natural Gas Pipeline Pipeline Municipal Development Tax Increment Financing District ("the District").

The designation of the District and pursuit of the Development Program will generate substantial economic benefits for the Town and its residents, including employment opportunities, broadened and improved tax base and economic stimulus and therefore, constitutes a good and valid public purpose.

The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's captured assessed value over a twenty year period.

**NOTE 11 – GOVERNMENTAL FUND BALANCES**

For the fiscal year ended June 30, 2011, the Town implemented the following new accounting standard issued by the Governmental Accounting Standards Board (GASB):

- GASB Statement 54, Fund Balance Reporting and Governmental Fund Type Definitions.

GASB Statement 54 clarifies the existing governmental fund type definitions and provides clearer fund balance categories and classifications. The new hierarchical fund balance classification is based primarily upon the extent to which a government is bound to follow constraints on resources in governmental funds and includes the terms: nonspendable, committed, restricted, assigned, and unassigned.

The Town's fund balances represent: **(1) Nonspendable Fund Balance**, resources that cannot be spent because of legal or contractual provisions that require they maintained intact. (e.g. the principal of an endowment). **(2) Restricted Purposes**, which include balances that are legally restricted for specific purposes due to constraints that are externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; **(3) Committed Purposes**, which include balances that can only be used for specific purposes pursuant to constraints imposed by formal action of the Board of Selectmen; **(4) Assigned Purposes**, which includes balances that are constrained by the government's intent to be used for specific purposes, but are neither restricted nor committed. **(5) Unassigned Fund Balance**, net resources in excess of what is properly categorized in one of the four categories already described. A positive amount of unassigned fund balance will never be reported in a governmental fund other than the general fund, because GASB Statement 54 prohibits reporting resources in another fund unless they are at least assigned to the purpose of that fund. However, funds other than the general fund could report a negative amount of unassigned fund balance should the total of nonspendable, restricted and committed fund balance exceeds the total net resources of the fund.

**TOWN OF BOWDOINHAM  
ANNUAL TOWN MEETING WARRANT**

**Sagadahoc, ss**

**State of Maine**

To: Brooke Cox, a resident of the Town of Bowdoinham, in said County of Sagadahoc, State of Maine

**GREETINGS:** In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Bowdoinham, in said County, qualified to vote in Town affairs, to assemble at the **Bowdoinham Town Hall on Wednesday, June 13, 2012 at 7:00 p.m.** then and there to act upon Article 1 through Article 36 of this warrant.

**ARTICLE 1:** To choose a moderator to preside at said meeting.

\*\*\*\*\*

**ORDINANCES**

**ARTICLE 2:** Shall an ordinance entitled “June 2012 Amendments to the Town of Bowdoinham Land Use Ordinance” be enacted?

**RECOMMENDATION:** Select Board and Planning Board recommend the article to pass.

\*\*\*\*\*

**TAX INCREMENT FINANCING**

**ARTICLE 3:** To see if the Town will appropriate a sum not to exceed \$68,821 from the Tax Increment Financing District (TIF) for Economic and Community Development.

**RECOMMENDATION:** Select Board and Finance Advisory Committee recommend the article to pass.

\*\*\*\*\*

**CAPITAL IMPROVEMENT ARTICLE**

**ARTICLE 4:** To see if the Town will authorize the issuance of general obligation securities in an amount not to exceed \$400,000 to be used for the paving, reconstruction and maintenance of town roads and the purchase of a piece of equipment for public works to sand and remove snow from sidewalks with the dates, maturities, denominations, interest rates, place of payment, form and other details of securities and of providing the sale of the securities to be determined by the Select Board in the best interest of the Town.

**TREASURER'S CERTIFICATE**

The undersigned Treasurer of the Town of Bowdoinham hereby certifies that:

1. The total amount of the general obligation bonded indebtedness of the Town of Bowdoinham currently outstanding as of May 8, 2012 is \$1,400,013.00
2. The total amount of general obligation bonds of the Town of Bowdoinham authorized, but un-issued, is \$0.
3. The total amount of general obligation bonds of the Town of Bowdoinham contemplated to be issued if the Article is ratified is not in excess of \$400,000.
4. Total of Paragraphs 1-3: \$1,800,013.00
5. The anticipated interest rate on the bond is 3.0 % to 4.0 %. Assuming the issuance of \$400,000 of bond with level principal payments over a 10 year term and an estimated interest rate of 3.0% to 4.0%, the interest cost associated with the borrowing would be \$81,793.60, which would result in a total cost of principal and interest to be paid of \$481,793.60.

The foregoing represents an estimate of costs associated with the financing and such estimates will change due to market conditions. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors in the estimates made in Paragraph 5 above. If the actual amount of the total debt service for the bond issue varies from these estimates, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

---

William S. Post, Treasurer  
Town of Bowdoinham, Maine

**RECOMMENDATION:** Select Board and Finance Advisory Committee recommend the article to pass.

First Installment: Monday, October 15, 2012  
Second Installment: Tuesday, April 16, 2013

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 21:** To see if the Town will set a rate of interest to be paid after the due dates on delinquent taxes.

**RECOMMENDATION:** Select Board recommends the interest Rate: 7.0% - The maximum allowed pursuant to 36 M.R.S. §505(4).

**ARTICLE 22:** To see if the Town will vote to establish the interest rate of 3% per year on the amount of overpayment to be paid to a taxpayer who is determined to have paid an amount of real estate or personal property taxes in excess of amount finally assessed pursuant to 36 M.R.S. §506-A.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 23:** To see if the town will vote to authorize the Tax Collector to accept tax payments prior to the commitment of taxes.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 24:** Shall the Town authorize the transfer of all unexpended balances to fund balance and to authorize the overdrafts that may occur in the Town operations in the 2012 budget to be taken from fund balance?

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 25:** To see if the Town will authorize the Select Board and Treasurer to borrow in anticipation of taxes pursuant to 30-A M.R.S. §5771.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 26:** To see if the Town will authorize the Select Board and Treasurer to accept on behalf of the Town, monetary gifts, and to appropriate said gifts to supplement the accounts specified by the benefactor.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 27:** To see if the Town will authorize the following actions on behalf of the town: (1) to authorize the Selectpersons and Treasurer to rent, lease, sell, or otherwise dispose of any real estate acquired by the town for non-payment of taxes thereon on such terms as they deem advisable and execute Municipal Quit Claim deeds for same; (2) to authorize the Selectpersons to keep any real estate acquired for non-payment of taxes or portion thereof for the use of the town when they deem it to be in the town's best interests; and (3) to authorize the Selectpersons to rent or lease town-owned real estate that was not acquired for non-payment of taxes when they deem it to be in the town's best interest and on such terms as they deem advisable.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 28:** To see if the Town will vote to authorize the municipal Treasurer to waive the foreclosure of a tax lien mortgage by recording a Waiver of Foreclosure at the Registry of Deeds in which the Tax Lien Certificate is recorded, prior to the right of redemption expiring, pursuant to 36 M.R.S. § 944.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 29:** To see if the Town will vote to authorize the Select Board and Treasurer, on behalf of the Town to sell or dispose of obsolete Town equipment, material and commodities on such terms as they deem proper.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 30:** To see if the Town will vote to authorize the Select Board to accept any donations, gifts or grants of money for the Heating Assistance Program reserve account and to expend available funds from the account for the designated purpose.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 31:** To see if the Town will authorize the Board of Select Board and Treasurer to enter into multi-year contracts necessary to provide services to the Town.

**RECOMMENDATION:** Select Board recommends the article to pass. Services for the town include but are not limited to assessing, ambulance service, banking, road maintenance, snow removal, curbside recycling and rubbish disposal.

**ARTICLE 32:** To see if the Town will vote to authorize the Select Board and Treasurer to accept and expend Community Development Block Grant Funds and other federal, state or private grants on behalf of the Town.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 33:** To see if the Town will vote to authorize the Selectmen to annually set fees for returned checks, copies of Town ordinances and other documents, and notary services.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 34:** To see if the Town will authorize the Select Board to collect Solid Waste Management User Fees for FY 2012/2013 at the rate of \$2.50 per bag.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 35:** To see if the Town will vote to approve the recommendations of the Selectmen to set the annual permit fee, pursuant to the provisions of 7.1.1 of the Solid Waste Management Ordinance, for commercial haulers operating within the Town of Bowdoinham. The Selectmen's recommendation is for a \$150.00 per year per truck fee for trucks with up to six (6) wheels; a fee of \$250.00 per year per truck for trucks with more than six (6) wheels.

**RECOMMENDATION:** Select Board recommends the article to pass.

**ARTICLE 36:** To see if the Town will authorize the Select Board to close any road or roads or portions thereof for winter maintenance and to annul, alter, or modify such decisions, pursuant to 23 M.R.S. §2953, and that such orders made by the Select Board shall be a final determination.

**RECOMMENDATION:** Select Board recommends the article to pass.
